6.1.26		Spring term starts

INFORMATION / REMINDERS TO PARENTS

We would like to inform you of an important update to our end-of-day procedures. In previous years, children in Years 3 to 6 were permitted to walk home alone. However, to further prioritise pupil safety, **only children in Years 5 and 6 will now be allowed to walk home without an adult—and only once parents have completed the online permission form.**

This form has been posted on the Class Dojo pages for Year 5 and Year 6 parents. We appreciate your understanding and support in helping us keep all children safe.

As the weather has been quite unpredictable lately, please ensure your child comes to school with a waterproof coat. Thank you!

Exciting Changes to Homework and Hot Meals Club

We're pleased to share that our Homework and Hot Meals Club is undergoing a transformation. Following a recent meeting with the CEO, we're excited to announce the club's new name: 'Empower Hour'.

Starting this term, children at Springfield can attend Empower Hour on **Tuesdays and Thursdays**. This initiative is designed to enrich pupils' skills and knowledge through a variety of engaging opportunities at the club.

We also warmly invite families to join us for a meal in the school hall. Meals will be served between **4:15pm and 4:30pm**, and we would love for you to come and enjoy this time with us. Thank you for your continued support.

Online Safety

Safeguarding is everyone's responsibility. Each week on this bulletin we will be sharing hints and tips to support safe use of the technologies at our children's fingertips. **Please click on the images to read the poster.**

We are here to help with any concerns or issues you are experiencing. Please come and see us if you have any queries or questions.
