Important Reminders and Updates:

Year 6 Residential: We are excited to be planning a summer residential trip for our fantastic Year 6 pupils. Please log on to the Year 6 Class story to complete the expression of interest form. Thank you

Photographs— Just a reminder that we have the school photographer in on the 10th November. We are offering the opportunity for families to have photographs from 8am.

If you need to have a longer conversation with your child's teacher beyond a quick chat at drop-off or pick-up, please contact them via Class Dojo to arrange a suitable time. This ensures they can give you their full attention and provide the support or information you need without disruption.

Have a lovely weekend.
