Year of Reading: We are thrilled to celebrate 2026 as the Year of Reading—a year dedicated to inspiring every pupil and family to embrace the joy, comfort, and adventure that books bring. Our school will be going all in with reading challenges, themed events, and whole school activities designed to spark imagination and build confidence in every learner. After all, “reading gives you wings”—lifting your imagination, expanding your world, and taking you to places you’ve never been, all from the pages of a book. We invite everyone to join us as we turn 2026 into a year filled with stories, creativity, and new discoveries. Keep an eye out for the reading events. The children have been finding golden tickets this week!
