Important Reminders and Updates:

Parking: We kindly ask all families to park considerately when dropping off and collecting children. Please avoid blocking residents' driveways, parking on pavements, or stopping in unsafe areas. Our neighbours rely on clear access to their homes, and keeping the roadway unobstructed helps ensure the safety of all our pupils. Thank you for supporting our school community by parking responsibly and helping us maintain a safe and respectful environment for everyone.

Capol: As part of our updated school policy, we are only able to administer medication that has been prescribed by a healthcare professional and is clearly labelled with the child's name and dosage instructions. Unfortunately, this means we can no longer give non-prescription medicines such as Capol during the school day. If your child requires medication, please ensure it is prescribed and handed to the school office with a completed consent form. Thank you for your understanding and support in helping us keep all children safe and well.

Nursery: After February half term, we are expanding our nursery provision and will be able to offer fulltime places for children aged 3 and 4 who are eligible for the 30 hour funded childcare. A number of parents have already expressed interest. If you would like to be considered for a fulltime place, please complete the form below with your child's name, date of birth and your valid 30 hour childcare code. Once completed, your child's name will be added to our waiting list. We will contact you directly if we are able to offer a place and will then invite you to complete our provider agreement and declaration form. Please complete this form by Friday 30th January: <https://forms.office.com/e/4rjhcg2AFe>

Thank you for your continued support, have a lovely weekend.
