Important Reminders and Updates:

Children's Mental Health Week—Shine Bright, Glow Yellow - wear yellow to school on Friday 13th. 'Shine Bright, Glow Yellow!' for Children's Mental Health Week by coming to school wearing something yellow. Yellow is a colour of positivity, hope and kindness. If your child would like to take part but doesn't have anything yellow at home, please don't buy anything especially for it - we will have yellow t shirts and ribbon at school ready.

Nursery Pupils Playdough morning on the 11th February at 9-9.30am. You are invited to join us for our playdough morning. We will make dough together, I will explain the benefits of dough time for your child and you can take your dough home and have lots of fun together at home playing with it

Thank you for your continued support, have a lovely weekend.

Mrs Hill & The Springfield Team

Online Safety:

Safeguarding is everyone's responsibility. Each week on this bulletin we will be sharing hints and tips to support safe use of the technologies at our children's fingertips. **Please click on the image to read the poster.**

We are here to help with any concerns or issues you are experiencing. Please come and see us if you have any queries or questions.
