Important Reminders and Updates:

Staff news: We say a fond farewell to both Miss Kimberley, who has successfully completed her apprenticeship and will be moving to a new city, and Miss Kelly, who will shortly be commencing her maternity leave. We would like to thank them both for their hard work and dedication and let them know how much they will be missed. We wish Miss Kimberley every success in her new ventures and Ms Kelly all the very best as she begins this exciting new chapter.

Two year old provision: We are delighted to share the exciting news that our school has successfully achieved a bid to offer two-year-old provision. Over the summer months, an extension will be added to the building to create a dedicated space for up to **10 two-year-olds**, ready to welcome children from the autumn term. This development is a fantastic opportunity to further support our local community and families. Mrs Lawrence will be sharing further information and asking for expressions of interest over the next few weeks.

Nursery places for 3 & 4 year olds September 2026: We currently have nursery places available for **3 and 4-year-olds** starting in September 2026. We offer both **15-hour** and **30-hour** placements, subject o meeting the government funding requirements. If you would like your child to be considered, please complete an application form at the school office so we can add your child to our waiting list.

Thank you for your continued support.
