IMPORTANT REMINDERS AND UPDATES:

As the weather begins to turn wetter and colder, please ensure that your child comes to school with a suitable coat. This will help them stay warm and dry during outdoor activities and playtimes.

We would also like to remind parents that no medication should be brought into school by children. Any prescribed medication must be handed directly to the school office by a parent or carer, and the appropriate administration form must be completed. Thank you for your co-operation in helping us to keep all children safe.

Attendance remains a key priority. Regular attendance is essential for children to make strong academic progress, build positive relationships and fully engage in all aspects of school life. We appreciate your support in ensuring that children attend school every day wherever possible.

If your child is unwell and unable to attend school, please contact the school office by 9:00am to report the reason. This helps us to ensure the safety and wellbeing of all pupils and maintain accurate attendance records.

We really appreciate your continued support.
