IMPORTANT REMINDERS AND UPDATES:

World Mental Health Day

Next week, we are looking forward to welcoming the Mental Health Support Team (MHST) into school to deliver a special assembly linked to World Mental Health Day, which is on Saturday 10th October. The assembly will help children understand the importance of looking after their mental health, recognising emotions, and knowing where to seek support when they need it. We are grateful to the MHST for supporting our children in developing positive wellbeing and resilience.

Harvest Festival

This week, we were delighted to welcome Father Andrews into school to talk to the children about the meaning and importance of Harvest Festival. He shared how this special time of year encourages us to be thankful for what we have and to think about ways we can help others in our community. The children enjoyed listening to his message and reflecting on the values of kindness, gratitude and generosity.

Thank you for your continued support.
